ADDITIONAL TERMS & CONDITIONS

If an account is opened, you will receive a Cardmember Agreement ("Agreement") with your card(s). You agree to the terms of this Agreement by: using the account or any card, authorizing their use, or making any payment on the account. We have the right to change the account terms (including the APRs) in accordance with your Agreement. We reserve the right to change the benefit features associated with your card at any time. Complete terms and conditions will be provided to you when you become an approved cardmember. Cards are issued and serviced by Union Bank Card Services, a division of MUFG Union Bank, N.A.

IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT

To help the government fight the funding of terrorism and money laundering activities, the USA PATRIOT Act requires all financial institutions to obtain, verify, and record information that identifies each person (including business entities) who opens an account. What this means for you: When you open an account, we will ask for your name, physical address, date of birth, and other information that will allow us to identify you. We may also ask for other identifying documents. We will let you know if additional information is required.

CREDIT REPORT AUTHORIZATION

By submitting an application for credit, you authorize us to obtain credit bureau reports that we will use when considering your application for credit. You also authorize us to obtain credit bureau reports and any other information about you in connection with the extensions of credit on your account and the administration, review or collection of your account. If you ask, we will tell you the name and address of the credit bureau from which we obtained a report about you. You also authorize us to verify your employment, income and other relevant information.

COMMUNICATION AUTHORIZATION

By providing us with your residential phone number or cell phone number, you agree that we (including companies working on our behalf) have your permission to contact you at the number provided about any of your Union Bank accounts, and that we may use text messaging, artificial or prerecorded voice messages and automatic dialing technology for informational and account servicing calls, as well as for collection purposes. Message and data rates may apply.

ARBITRATION NOTICE

If you are issued a credit card, your Agreement will contain a binding arbitration provision. In the event of any dispute relating to your account, the dispute will be resolved by binding arbitration pursuant to the rules of the American Arbitration Association or JAMS/Endispute. Both you and we agree to waive the right to go to court or to have the dispute heard by a jury (except as to any collection activities on your account). You and we will be waiving any right to a jury trial and you also would not have the right to participate as a part of a class of claimants relating to any dispute with us. Other rights available to you in court may also be unavailable in arbitration. When you receive your Agreement, you should read the Resolution of Claims by Arbitration provision in your Agreement carefully and not accept or use the Card unless you agree to be bound by the arbitration provision.

BALANCE TRANSFERS

If you are issued a credit card, you authorize us to make one or more of the balance transfers that you have requested from credit card accounts or other types of accounts with other financial institutions. All balance transfer requests are subject to our approval; we are not liable if we do not make a requested balance transfer. We reserve the right to make balance transfers in the order we select and to limit the amount of the balance transfers that we make (this amount may be less than your total credit limit). If you request an amount that we do not approve, we may process a partial transfer for less than you requested or we may decline the entire request. In addition, transfer requests that are incomplete, illegible or requested to cash, to yourself or to another account with us or one of our affiliates need not be processed. You should not transfer any amount that is in dispute in order to preserve your dispute rights. When you transfer a balance from another account, we send a payment in the amount of the balance transfer to the other financial institution. We have no control over, and are not responsible for, how and when the other financial institution applies the payment. You are responsible for verifying that the other financial institution applies the balance transfer payment in accordance with your other account's terms. You should continue to monitor the other accounts that you request a transfer balance to and you should continue to pay the minimum payments due on those accounts until you receive statements from those creditors showing that the balances due them have been paid in full. This might not happen until after the balance transfer appears on your billing statement from us. You are liable for any late payments, finance charges or disputed amounts on your other accounts. We do not send instructions to the other financial institution to close your other account. If you want the other account to be closed, you must do that yourself. Balance transfers are subject to applicable fees and finance charges and do not have the benefit of a grace period. **If you take advantage of a balance transfer offer and continue to use the credit card to make purchases, you will lose the interest-free grace period on the new Purchases unless you pay the entire statement balance, including the amount subject to the promotional APR, by the payment due date.**

OVERDRAFT PROTECTION LINKED TO A UNION BANK CREDIT CARD

By enrolling in Overdraft Protection Linked to a Union Bank Credit Card, you understand and agree that any day in which transactions are presented for payment against your eligible linked Union Bank checking account for the purposes of covering transactions (including transfers between checking, money market, and savings accounts) presented for payment against insufficient funds, Union Bank will advance funds from your linked Union Bank Credit Card. We will not authorize transactions requiring real-time authorization (such as ATM withdrawals, ATM or Debit Card Purchases, and cash withdrawals in a Union Bank branch) using this service. If you attempt a transaction requiring real-time authorization and there are insufficient Available Funds in the linked checking account, the transaction will be declined. Activation of the Overdraft Protection service may take up to 5 business days following the approval of a new credit card account; for customers with an existing open credit card account, it may take up to 5 business days from the initial request to enroll in the Overdraft Protection service.

Each business day that we determine that your linked checking account is overdrawn by any amount, you authorize us to make an Overdraft Advance equal to a) \$50, or b) the next highest multiple of \$50 that will equal or exceed the linked checking account overdraft, as determined by us. For example, if we determine that your linked checking account is overdrawn by \$125, you understand and agree that we may automatically make an Overdraft Advance of \$150 from your Union Bank Credit Card for deposit to your linked checking account. We will make advances only once each business day.

Advances will only be processed if at least one Item can be covered by the advanced amount. Any negative balance from a previous business day will not trigger an Advance unless another eligible Item is presented for payment and there is sufficient Available Credit on the credit card account to cover at least that additional Item. If you do not have sufficient Available Credit on your credit card account to cover all Items, your linked checking account will be subject to Overdraft Fees for any uncovered Items. The total Advance Amount will appear on the linked checking account statement each day an advance is made. Only one checking account may be linked to one credit card account, and both accounts must have a common Owner. If your linked checking account is changed to a closed status for any reason, Union Bank may terminate the Overdraft Protection Linked to a Union Bank Credit Card service without notice.

Overdraft Advances and the **\$10** daily Overdraft Advance Fee will be added to your Overdraft Advance Balance Category on your credit card monthly statement and be charged the Overdraft Advance Annual Percentage Rate. Your APR will be **15.99% to 25.99%**, based on your creditworthiness. This APR will vary with the market based on the Prime Rate. No grace period will apply when calculating finance charges for Overdraft Advances. If your linked credit card account is changed to a closed status for any reason, Union Bank may terminate the Overdraft Protection Linked to a Union Bank Credit Card service without notice. You may cancel this service at any time.

Some accounts may not be eligible for Overdraft Protection Linked to a Union Bank Credit Card. For more information, see our *Personal Accounts & Services Disclosure and Agreement*.

REWARDS PROGRAM TERMS AND CONDITIONS

The following is a summary of certain key terms and conditions for the Union Bank Rewards Program for the Union Bank Rewards Visa® Credit Card. You will receive complete Program terms and conditions with your account opening materials if your application is approved.

EARNING REWARD POINTS

Purchases

You earn points when you (or your authorized user) make "Purchases" of products and services with your credit card, excluding disputed billing items and items that are subsequently subject to a refund or credit (such as for returned merchandise) (collectively "Purchases").

Purchases do not include:

- a) Annual fees, finance charges and other fees or charges posted by us to the account;
- b) Cash advances (including but not limited to cash received over the amount of Purchases charged to the account, Purchases of money orders or other cash equivalents) or special check transactions;
- c) Balance transfers;
- d) Overdraft advances;
- e) Charges for other products, services, or benefits that we provide (such as credit insurance premiums); or
- f) Other transactions that we determine not to be eligible.

Point awards are not earned until they appear on the account statement. Points that have been awarded may be deducted if, after points are awarded, Purchases are subsequently subject to a refund, credit or dispute. We reserve the right to retroactively correct errors made in point awards. We are solely responsible for determining which transactions are eligible for point earnings, and our determination is final. Points you earn during the billing cycle will be added to your reward point balance within 7 days after the end of the billing cycle.

Introductory Reward Bonus

You will earn **10,000 introductory bonus reward points** following your first \$1,000 in Purchases made within 3 months of account opening. These points will post to your reward point balance within 8 weeks after the close of your third billing cycle. You are limited to one introductory reward bonus per card account.

Mobile Wallet Points

You will earn **5 points** (also referred to in marketing materials as "5X points") (consisting of 1 base point and 4 bonus points) **for each \$1 spent** for the first \$6,000 of Purchases made during the first 12 months after account opening using Mobile Wallets. A "Mobile Wallet Purchase" is a purchase made by tapping to pay at a physical point of sale using one of 3 mobile wallets – Google Pay™, Apple Pay®, Samsung Pay®. After you make \$6,000 in Purchases during the first 12 months after account opening using Mobile Wallets, no further bonus points will be earned, but you will continue to earn 1 point for each \$1.00 spent on Purchases using Mobile Wallets. Mobile Wallet Purchases at Restaurants, Grocery Stores, and Gas Stations earn points as defined for Mobile Wallet Purchases and do not earn Restaurant, Grocery Store, or Gas Station bonus points.

Restaurant Points

You will earn **3 points** (also referred to in marketing materials as "3X points") (consisting of 1 base point and 2 bonus points) **for each \$1 spent** for the first \$6,000 of Purchases made during each year (based on your account opening date) at Restaurants. A "Restaurant" is a merchant with the merchant category code (MCC) for "Caterers" (MCC 5811), "Eating Places and Restaurants" (MCC 5812), "Drinking Places (Alcoholic Beverages), Bars, Taverns, Cocktail Lounges, Nightclubs and Discotheques" (MCC 5813), "Fast Food Restaurants" (MCC 5814). After you make \$6,000 in Purchases at Restaurants in a year, you will earn 1 point for each \$1.00 spent on Purchases that you make at Restaurants for the remainder of the year.

Grocery Stores & Gas Stations

You will earn **2 points** (also referred to in marketing materials as "2X points") (consisting of 1 base point and 1 bonus point) **per \$1 spent** for the first \$6,000 of Purchases made during each year (based on your account opening date) at Grocery Stores and Gas Stations. A "Gas Station" is a merchant with the merchant category code (MCC) for "Service Stations (with or without ancillary services)" (MCC 5541), "Automated Fuel Dispensers" (MCC 5542). A "Grocery Store" is a merchant with the merchant category code (MCC) for "Grocery Stores" or "Supermarkets" (MCC 5411), "Dairy Product Stores" (MCC 5451), "Bakeries" (MCC 5462), "Misc. Food Stores (convenience stores and specialty markets)" (MCC 5499). After you make \$6,000 in Purchases at Grocery Stores and Gas Stations in a year, you will earn 1 point for each \$1.00 in Purchases that you make at Grocery Stores and Gas Stations for the remainder of the year. Please note that the MCCs for superstores, discount stores and warehouse clubs are not eligible for bonus points, so Purchases made at these merchants will only earn 1 point for each \$1 spent on Purchases, including grocery items.

All Other Purchases

You will earn **1 point for each \$1 spent** on all new eligible Purchases charged to the card each billing cycle that are not a Mobile Wallet Purchase or from merchants that are not Restaurants, Grocery Stores, or Gas Stations.

Merchant Category Codes & Purchases

Merchants are assigned a merchant category code by payment card processors based upon the merchant's primary line of business. We do not determine the MCC for a merchant. Whether a transaction is eligible for bonus points depends on the MCC actually assigned to a merchant. Purchases processed through merchants that do not process transactions under the eligible MCC and Purchases processed through third-party payment accounts (e.g., PayPal™) will not qualify to receive bonus points.
